STATE OF FLORIDA

OFFICE OF THE GOVERNOR

EXECUTIVE ORDER NUMBER 20-91

(Essential Services and Activities During COVID-19 Emergency)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention ("CDC") issued the "15 Days to Slow the Spread" guidance advising individuals to adopt far-reaching social distancing measures, such as avoiding gatherings of more than 10 people, and in states with evidence of community spread, recommending restrictions to certain establishments conducive to mass gatherings and congregations; and

**WHEREAS**, on March 29, 2020, the President extended such guidance to be in effect until April 30, 2020; and

**WHEREAS**, on March 31, 2020, the President updated the guidance, renaming it "30 Days to Slow the Spread", and along with the White House Coronavirus Task Force urged Americans to continue to adhere to the guidelines and expand community mitigation efforts; and

**WHEREAS**, the majority of individuals in Florida that have tested positive for COVID-19 have been concentrated in its southeastern counties and other urban cores; and

**WHEREAS**, positive cases of COVID-19 have continued to rise in other states in close proximity to Florida, resulting in increased risk to counties in northern Florida; and

**WHEREAS**, many thousands of people fled the New York City region to Florida following New York State issuing a "shelter-in-place" order, thereby jeopardizing the health and safety of Floridians; and

**WHEREAS**, on March 23, 2020, I issued Executive Order 20-80, requiring all individuals that fly into Florida from states with substantial community spread to self-isolate in Florida for 14 days or the duration of their trip, whichever is shorter; and

**WHEREAS**, on March 27, 2020, I issued Executive Order 20-86, requiring all individuals that drive into Florida from states with substantial community spread to self-isolate in Florida for 14 days or the duration of their trip, whichever is shorter; and

**WHEREAS**, persistent interstate travel continues to pose a risk to the entire state of Florida; and

**WHEREAS**, on March 24, 2020, I issued Executive Order 20-83, directing the State Surgeon General and State Health Officer to issue a public health advisory urging the public to avoid all social or recreational gatherings of 10 or more people and urging those who can work remotely to do so; and

**WHEREAS**, it is necessary and appropriate to take action to ensure that the spread of COVID-19 is slowed, and that residents and visitors in Florida remain safe and secure.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Safer At Home

1. Senior citizens and individuals with a significant underlying medical condition (such as chronic lung disease, moderate-to-severe asthma, serious heart conditions, immunocompromised status, cancer, diabetes, severe obesity, renal failure and liver disease) shall stay at home and take all measures to limit the risk of exposure to COVID-19.
2. In concert with the efforts of President Trump and the White House Coronavirus Task Force to fight COVID-19, and based on guidance provided by Florida Surgeon General and State Health Officer, Dr. Scott Rivkees, all persons in Florida shall limit their movements and personal interactions outside of their home to only those necessary to obtain or provide essential services or conduct essential activities.

Section 2. Essential Services

1. For purposes of this Order and the conduct it limits, “essential services” means and encompasses the list detailed by the U.S. Department of Homeland Security in its Guidance on the Essential Critical Infrastructure Workforce, v. 2 (March 28, 2020) (attached) and any subsequent lists published.
2. Essential services also include those businesses and activities designated by Executive Order 20-89 and its attachment which consists of a list propounded by Miami-Dade County in multiple orders.
3. Other essential services may be added under this Order with the approval of the State Coordinating Officer, in close coordination with the State Health Officer. The State Coordinating Officer shall maintain an online list of essential services, as specified in this Order along with any approved additions. The online list shall be available on the Division of Emergency Management’s website at [www.floridadisaster.org](http://www.floridadisaster.org) and the Florida Department of Health’s website at [www.floridahealth.gov](http://www.floridahealth.gov).
4. Nothing in this order prohibits individuals from working from home; indeed, this Order encourages individuals to work from home.
5. All businesses or organizations are encouraged to provide delivery, carry-out or curbside service outside of the business or organization, of orders placed online or via telephone, to the greatest extent practicable.

### Section 3. Essential Activities

1. For purposes of this Order and the conduct it limits, “essential activities” means and encompasses the following:
  1. Attending religious services conducted in churches, synagogues and houses of worship; and
  2. Participating in recreational activities (consistent with social distancing guidelines) such as walking, biking, hiking, fishing, hunting, running, or swimming; and
  3. Taking care of pets; and
  4. Caring for or otherwise assisting a loved one or friend.
1. Other essential activities may be added to this list with the approval of the State Coordinating Officer, in close coordination with the State Health Officer. The State Coordinating Officer shall maintain an online list of essential activities, as specified in this Order along with any approved additions.
2. A social gathering in a public space is not an essential activity. Local jurisdictions shall ensure that groups of people greater than ten are not permitted to congregate in any public space.

### Section 4. Local Orders in Response to COVID-19

This Order shall supersede any conflicting official action or order issued by local officials in response to COVID-19 but only to the extent that such action or order allows essential services or essential activities prohibited by this Executive Order.

### Section 5. Previous Executive Orders

This Executive Order does not supersede any Executive Order related to COVID-19.

### Section 6. Effective Date and Expiration Date

This Order is effective 12:01 a.m. on April 3, 2020. This Order shall expire on April 30, 2020 unless extended by subsequent order. Executive Order 20-68 (bars, restaurants) and Executive Order 20-71 (alcohol sales, restaurants) shall remain in effect through the duration of Executive Order 20-52, including any extensions.

**The State of Florida Issues COVID-19 Updates**

**Actions the state has taken to respond to COVID-19:**

## DEPARTMENT OF HEALTH

- At the direction of Governor DeSantis, State Surgeon General Dr. Scott Rivkees declared a Public Health Emergency for COVID-19 in Florida.
- Governor DeSantis announced that the State ordered an additional 2,500 test kits to supplement the adequate resources already available to test for COVID-19. These additional test kits will enable the Department of Health, working with Florida health care providers, to test up to an additional 625,000 individuals. The Governor also suspended non-essential in state and all out-of-state travel for state employees for 30 days.
- Established an Incident Management Team to coordinate response operations.
- Defined a high-level phased response strategy for COVID-19.
- Activated a dedicated incident command post for on-site response activities.
- Conducted three public health and health care stakeholder conference calls to provide statewide updates on the current outbreak situation, response actions and guidance for pandemic planning. Over five hundred participants joined the calls.
- Established a public call center for questions regarding COVID-19. The call center launched Monday, March 2 and is open 24/7.
- Developed and distributed COVID-19 presentation materials to County Health Departments (CHD) for use at community meetings.
- Activated the Joint Information Center in coordination with the Division of Emergency Management.
- Developed and implemented protocols for investigation, surveillance and monitoring for COVID-19 to rapidly detect and contain cases.
- Established mechanisms for monitoring and coordination with the Centers for Disease Control and Prevention (CDC) regarding epidemiological activities.
- Distributed CDC Interim Guidance for public health personnel evaluating Persons Under Investigation (PUI) and asymptomatic close contacts of confirmed cases at their home or non-home residential settings to CHDs.
- Approved and disseminated an updated Clinician Screening Tool for identifying COVID-19 PUIs.
- Implemented testing at all three State Public Health Laboratories.
- Distributed updated CDC guidance for schools to CHDs and the Department of Education.
- Distributed updated laboratory guidance regarding implementation of testing at State Public Health Laboratories.
- Developing a laboratory surge plan.
- Identifying and monitoring close contacts of presumptive cases. Any close contacts with symptoms will be tested.
- Implemented private lab testing.
- Developed and disseminated pandemic planning guidance.

- Advised CHDs and HCCs to retain expired personal protective equipment until further until further notice.
- Developing infographics for first responders (fire, law enforcement and EMS) regarding infection control and personal protection for COVID-19.
- At the Governor’s direction, a public-private partnership has been put in place between Memorial Healthcare in Broward and the National Guard to set up a mobile testing unit.
- At the direction of Governor DeSantis hiring additional epidemiologists from university health programs to help with workload.
- Governor DeSantis directed the Agency for Health Care Administration (AHCA) to extend all existing nursing home and assisted living facility licenses for 90 days to remove distraction from patient care.
- Launched an interactive data tracking dashboard on [floridahealthcovid19.gov](http://floridahealthcovid19.gov) that is updated twice daily.
- Developing protocols for County Health Departments in the protection of their staff and clinic activities through the development of safety and health guidance.
- Continue to have daily hospital calls and began having daily calls with the aging and vulnerable population groups.
- Continue to coordinate efforts for obtaining lab testing supplies.

## **DIVISION OF EMERGENCY MANAGEMENT**

- To support communities responding to COVID-19, Governor DeSantis has directed FDEM Director Jared Moskowitz to expedite the delivery of more than \$170 million in Hurricane Irma reimbursements to cities, counties and hospital districts that have now reached the 50-percent auditing threshold to receive funds.
- After conducting a thorough assessment of needs, Director Moskowitz has requested the following supplies through Direct Federal Assistance. Supplies are being delivered on a rolling basis, and inventory is being distributed throughout the state 24 hours a day.
  - 5 mobile intensive care units
  - 5,000 ventilators
  - 5,000 hospital beds
  - 50,000 two oz. bottles of hand sanitizer
  - 250,000 coveralls
  - 500,000 gloves
