RE: **SCBAA UPDATE – Continuing Education**

---

Please see the below communication from the South Carolina Bail Agents Association (SCBAA) regarding an update on Continuing Education. If you have any questions, please contact the SCBAA directly. Additionally, you may also contact our team at 800.935.2245 with any questions whatsoever.

## SCBAA CE Class Update

Hello Agents, we hope everyone is staying safe. The SCBAA is continuing to monitor the COVID-19 emergency. Our webinar is being develop and is hoped to be completed soon. This will give you the opportunity to take your CE classes safely in your home or office.

Those agents that want to attend a classroom course please be patient. We are giving it until mid-June to decide when to go forward with our classroom courses. Our classrooms will probably be limited so we encourage you to take the webinar.

**Remember, the bonding CE hours and fingerprints deadline has been extended until September 30, 2020.**

If you have received your notice to renew your Limited Lines license you should renew it before the deadline emailed to you. No communication has been sent for any extension on your limited lines. You should have received a email from the DOI if you have a full Producers license.

If you have any questions concerning the Producers or limited lines license contact the SC DOI.

Stay Safe!
